

Science

In Science, we will be completing unit called 'Habitats'. In this unit, we will learn about the different types of habitats in our local area, including microhabitats. The children will identify and name living things and begin to understand how they depend on one another for food and shelter.

PE

PE this half term will be basketball on a Tuesday and target games on a Thursday.

Children should arrive at school in their PE Kit and stay in their PE Kit for the rest of the day.

Maths

In Maths we will be learn about

- Place Value
- Addition and Subtraction

Computing

We will be using Purple Mash in all lessons to help build our computing knowledge and learn about coding and how it works in the

History

We will be looking at significant people from the past and the present day. We will find out why they are significant and what impact these people had upon the past and our lives today. We will rank these people of importance and be able to justify why.

Geography

We will be looking at historical landmarks including the voyage of Christopher Columbus!

Movers and Shakers

D&T

We will explore how to create strong and stable structures by making chairs fit for Baby Bear.

PHSE

We will explore the units 'Being Me in My World' and 'Celebrating Differences'.

English: Grammarsaurus - nouns (common and proper), verbs, verb phrases, subject of the sentences, conjunctions
Our text this term will be:

The Owl Who was Afraid of the Dark – in this unit we will learn to write a fact sheet about owls using information gathered from the text.

We will also explore two poetry units based on Zebra Questions by Shel Silverstein and The Owl and the Pussycat by Edward Lear.
