

Dear Parents and Carers,

As you probably know, Miss Woodward has been working hard for several months with Year 5, exploring Shakespeare's final play, *The Tempest*. We hope the children have been telling you all about their work and the things they have discovered and imagined during their Drama.

In the coming months, the work will come to an end with a performance at the **New Vic Theatre on Monday 10th March at 2:30pm**. Alongside your own children there will be pupils from other schools too. We would like to invite you to get tickets to come along and see the children perform their brilliant play all about *The Tempest*. The whole performance will last for about one and a quarter hours. We've been doing these projects for fifteen years now and teachers, children, and parents tell us that the shows are some of the best things they've ever done. Come and share the making of memories that will last forever!

Tickets will be available directly from The New Vic Box Office from Monday 3rd Feb. You can get your **maximum of 2 tickets** (this includes any extra children you have coming to watch) by ringing the New Vic Box Office on 01782 717962 *between Monday 3rd Feb and the end of 3rd March*. Tickets for children are free and for adults only £3. Please be ready to give your name, address, and the date of the performance. Tickets can be posted out to you for £1 or emailed to you for free.

From 4th March, any unsold tickets will go on general sale across all schools – so don't miss the deadline (end of 3rd March) if you want to be guaranteed your 2 tickets. If you already have your 2 tickets by this date and wish to try and buy more, you will be able to do so from 4th March up until the performance, subject to availability.

We very much hope to see you there.

Best wishes,

Susanna Harding
The New Vic Theatre Children's Shakespeare Festivals Director
