Friday 7th March 2025

Dear Year 4 Parents/Carers,

I hope this letter finds you well. I am writing to address some concerns that have been raised regarding consistency in Year 4 teaching on Mondays and Tuesdays during the Spring term.

We fully understand the importance of providing a stable and structured learning environment for our children. Unfortunately, due to unforeseen circumstances, there have been some disruptions to the usual teaching schedule on these days. Please rest assured that we have been working diligently to minimise the impact on children's learning and to maintain continuity in their education.

To address this, we have explored several different options. One consideration, that was trialled, was using existing teachers within the school to cover Mondays and Tuesdays; however, this led to a large number of different adults teaching the class throughout the week, which we felt was not ideal for consistency. We also looked into securing a supply teacher to job-share with Mrs. Keay, ensuring that the same teacher would be in place on Mondays and Tuesdays while Mrs. Keay continued to teach Wednesday to Friday. This, however, proved challenging to secure for a number of reasons.

However, I am pleased to inform you that from Monday, 10th March, we will be introducing a new teacher on a trial basis to teach Year 4 on Mondays and Tuesdays. Our hope is that this will provide the consistency and stability the children need. Mrs. Keay will continue to teach the class from Wednesday to Friday, ensuring continuity for the remainder of the week. We are confident that this arrangement will support a more structured and positive learning environment for the children moving forward.

We greatly appreciate your patience and understanding during this time, and we remain committed to ensuring the best possible education for your children. If you have any further questions or concerns, please do not hesitate to get in touch.

Yours sincerely,

Mr. S Martin
