Y3 Visit to Think Tank Birmingham

Dear Parent/Guardian,

As part of current science topic 'Forces and Magnets', we have an exciting opportunity to visit Think Tank Birmingham on **Tuesday 25th March**. During the day, the children will take part in a Forces and Friction workshop and have the opportunity to explore the museum.

Children will leave Goldenhill at around **9am**. We ask that children are **dropped off promptly** to allow us to leave school on time. The day finishes at approximately 2pm. Therefore, the children should be back for home time but we will keep you updated on the day. The cost of the trip is **£30** per child, which includes museum entrance, the guided workshop, and coach travel. There is an increased price from the coach companies due to travelling through the clean air zone, this is completely out of our control. Parent Pay has been set up to allow you to make payment for this visit. We are offering a payment in open instalments, which can be made up until **Tuesday 18th March** (1 week prior) for those that require this. You will also be prompted to provide permission via Parent Pay too.

If your child receives free school meals, then a packed lunch will be provided for them. If your child does not receive free school meals, please send your child with a packed lunch for this day.

If you have any questions or queries about this trip, please do not hesitate to speak to the Office, or a member of the Year 3 team.

If we do not receive enough contributions to go towards the payment of this trip we have the right to cancel it in advance.

Thank you for your continued support,

Miss Chandler
