2nd May 2025

Dear parent/guardian,

Welcome back!

I hope you have all had an amazing Easter break and managed to create many memories and eat lots of chocolate! I can't believe we are in our final term of Year 2 already! They have all grown so much, both emotionally and academically and I can't wait to see them continue to flourish throughout this next half term. In order to help you and the children in the next half term, here are a few important bits of information for the upcoming half term:

- Children will be issued with their new **reading** books. It is essential that children are experiencing reading as much as possible, especially at this stage in their learning. Remember, there are prizes for readers that complete the Aiming High competition. Each time a child reaches the end of the clouds, they will receive a prize at the end of the half term.
- P.E will be on a **Monday** and a **Wednesday** afternoon. Children should **arrive at school in their PE kit** on both **Mondays** and **Wednesdays** and will **remain in their PE kit** for the rest of the day. Monday will be athletics, this will be outside, weather permitting and Wednesday afternoon will be dance.
- **Homework** will continue to be handed out on **Thursdays** and due in by the following **Wednesday**.
- Our **topic** will change during this half term. The topic will change to '**Magnificent Monarchs**'. You will be sent a separate topic web to include more information about what we will be learning during this exciting topic!
- Fruit will be provided, from school, for the children to eat at break time but children are able to bring in a **healthy snack** from home if they wish.
- Children need to bring in their own **water bottles** with them so they can have a drink throughout the school day.
- Please ensure that your child has sun cream and a hat during the warm weather.
- **SATs** will take place for Year 2 throughout the whole of June. There is nothing to worry about and all of their hard work they have completed this year will also be used as evidence.

If you have any questions, please do not hesitate to ask any of the year 2 staff! The children have continued to be amazing and I am so proud of their resilience and hard work. I know it will continue to be an amazing year for us all!

Thanks for your continued support,

Miss Lea-Smith
Class Teacher
