

Science

Our science topic this half term will be 'Habitats'.

This project teaches children about habitats and what a habitat needs to provide. They explore local habitats to identify and name living things and begin to understand how they depend on one another for food and shelter.

PE

PE this half term will be gymnastics on a **Wednesday** and Tennis with Bee-Active on a **Friday**.

Children should arrive at school in their PE Kit and stay in their PE Kit for the rest of the day.

Please ensure earrings are covered.

Maths

In Maths we will be learning all about place value and moving on to addition and subtraction. Children will also take part in arithmetic lessons and times tables activities.

English:

In English we will start the half term by looking at punctuation and grammar activities. We will then move onto our poetry units: 'Zebra Questions' and 'The Owl and the Pussycat'.

Religious Education

In R.E this half term we will be asking the question: 'Who is Muslim and how do they live?'

Movers and Shakers

History

We will be looking at significant people from the past and the present day. We will find out why they are significant and what impact these people had upon the past and our lives today. We will rank these people of importance and be able to justify why.

Geography

We will be looking at historical landmarks including the voyage of Christopher Columbus!

PSHE

In our PSHE lessons, we will be studying the unit 'Being in my world'.

We will also start the half term by looking at the British Values and what they mean to us.

P4C

In our P4C lessons, we will be exploring the concepts of 'happiness' and 'worry'

Music

In our music lessons we will be studying a 'West African Call & Response song'.
