School Meals

Dear Parents/Carers

Unfortunately, we have received a letter from City Catering today informing us of an increase to the price of school meals for children in Year 3 to 6.

They state they have been left no choice to increase their prices due to the impact of the disruptive global issues. This includes a high level of food inflation and global food production issues.

Therefore, unfortunately as a result, the cost of a meal for children in Years 3 to 6 will increase to £3.50 from the 1st September 2023. (The weekly cost is £17.50).

There will be no change to the cost of a meal for Nursery children.

The changes will be implemented on Parent Pay ready for the 1st September 2023.

If you have any issue please don't hesitate to contact me.

Yours sincerely

Mr Steve Martin
