Dear Parents/Guardians

At Goldenhill Primary Academy we are committed to broadening horizons and raising aspirations, giving children a wide range of experiences including the world of work. We strive to open doors, showing children the vast range of possibilities for their futures, to help to keep their options open for as long as possible.

As part of this, we hold a weekly careers assembly enabling children exposure to the wide variety of careers there are and what skills and attributes they would need to achieve these ambitions. We have decided that hosting our own careers fair will give children that first-hand experience of different careers that will ignite a passion for their chosen career/ambition.

We would therefore like to invite you or the company / business you work for into our school to speak to the children about your career. It will be on Friday 23rd June and will be from 1-3pm. You will be speaking to a small group of Year 5 and Year 6 pupils about what your career entails and the journey you took to get there.

If you or your company / business would be interested in this event please fill in the slip below and hand into your child's class teacher or the office. More information will follow.

Many thanks for your support in this.
