Dear Parents / carers,

The Foundation Stage classes (Nursery and Reception) are trying to build their stock of outdoor 'loose parts.' These are objects that can be used for building outside – dens, obstacle courses, ramps, tunnels etc. We were wondering if any parents or family members, who were in the building trade, had any off cuts of drainpipes, wood, guttering, pipes and tubes, buckets, funnels, wood chips, nuts and bolts, cork tiles, laminate flooring, hoses, rope, paintbrushes or tarpaulin that could be used in our outdoor area to create exciting role play opportunities.

Similarly, if anyone has any textiles, blankets, baskets or carpet off cuts for den building, this would be brilliant.

Any donations would be very greatly received.

Regards

Mrs Cookson
