Wednesday 1st March 2023

Dear Parents & Carers,

RE: National online Safety APP and training

The National Online Safety App is **FREE** and an amazing resource to support parents to support their children in the extremely important area of Online Safety.

The more parents who download the APP, or assess The National online Safety website, access resources and complete training will ensure that more of our children understand the risk and dangers associated with the online world and ways in which to keep safe online.

Any parent who downloads the APP, following the information below, or accesses the National Online Safety website and completes one of the following training courses by Monday 27th March will be put into a raffle to win a £30 Love to Shop voucher. The courses are:

- Annual Award in Online Safety for Parents & Carers of Children aged 3-7 (**which only takes 31 minutes to complete**)
- Annual Award in Online Safety for Parents & Carers of Children aged 7-11 (**which only takes 41 minutes to complete**)

When you have done this please contact the school and we will add your name to the raffle. If you need any support in downloading the APP, accessing the website or accessing the courses, please contact the office. We are happy to help.

You can access National Online Safety online via any device- including via their brand-new smartphone app. To download the app, please go to:

<https://apps.apple.com/gb/app/national-online-safety/id1530342372>

<https://play.google.com/store/apps/details?id=uk.co.nationaleducationgroup.nos>

Alternatively, search for 'National Online Safety' in the App Store/Google Play Store.

Once you have downloaded the APP or accessed the National Online Safety website, it is easy to create your account, by following <https://nationalonlinesafety.com/enrol/goldenhill-primary-academy> and completing your details. When you're set up, you'll be able to set 'Parent/Carer' as your user type.

Kind Regards,

smartin

Mr. S Martin
Head Teacher
