

Maths

- Multiplication and Division
- Length and Perimeter
- Fractions
- Mass and Capacity

English

Our English text this term will be 'Georges Marvellous Medicine' by Roald Dahl. Children will take part in daily guided reading sessions based around this text.

In their writing sessions, the children will be completing varied pieces on the texts 'Stone Age Boy' and 'Big Blue Whale'. We will also complete a poetry unit based on 'The Magnificent Bull'.

RE

What do Hindu's believe God is like?
What kind of world did Jesus want?

French

French adjectives of colour, size and shape

Playground games

Year 3 Spring Term

Rocks, Relics and Rumbles

Music

Pentatonic melodies and composition (Chinese New Year)

P4C

Talk like a Philosopher

Science – Forces

This project teaches children about contact and non-contact forces, including friction and magnetism. They investigate frictional and magnetic forces, and identify parts of a magnet and magnetic materials.

Light and Shadows

This project teaches children about light and dark. They investigate the phenomena of reflections and shadows, looking for patterns in collected data. The risks associated with the Sun are also explored.

Topic (Geography based)

In the Rocks, Relics and Rumbles topic the children will learn about the features and characteristics of Earth's layers, including a detailed exploration of volcanic, tectonic and seismic activity.

Art and Design

Abstract shape and space (sculpture and 3D)

DT

Electronic charm (Digital media)

PSHE

Dreams and Goals
Healthy Me

Computing

Branching databases
Creating media

PE
