School Meals

Dear Parents/Carers

We have received a letter from City Catering informing us of an increase to the price of school meals for children in Year 3 to 6. They are a non-profit making organisation and are facing considerable financial pressures which need to be addressed to ensure the service they provide is not compromised.

They state they have been left no choice to increase their prices due to inflationary pressure, increase in supplier prices, rising energy and transports costs. These are all reasons beyond their control due to the war in Ukraine, Covid and multiple other factors.

Therefore unfortunately as a result, the cost of a meal for children in Year 3 to 6 will increase to £3.00 from the 1st December 2022. (The weekly cost is £15.00).

There will be no change to the cost of a meal for Nursery children.

City Catering have also made clear that price pressures will continue to be monitored and further similar steps cannot be ruled out at this stage. They will, of course, continue to seek to avoid such action.

The changes will be implemented on Parent Pay ready for the 1st December, therefore if you have already booked a meal for this date onwards you will need to ensure there are sufficient funds on the account to cover the increase in price for these days otherwise the meals are cancelled automatically.

If you have any issue please don't hesitate to contact me.

Yours sincerely

Mr Steve Martin
