## RE: Park Hill Farm Visit

Dear Parent/Guardian

On 4<sup>th</sup> July 2023, a visit has been arranged for Year Five to visit Park Hill Farm in Market Drayton. It is an exciting opportunity for children to experience life on a working farm, which will complement our current topic 'Sow, Grow and Farm'. The trip is an exciting opportunity for children to expand their knowledge on land use, local produce and food miles. As well as going on a habitat walk, pond dipping and getting hands on with the animals, which links to our current science unit.

Children will need to come to school in old clothing and must bring wellies, a sunhat, sun cream and a rain mac in case of rain. Children must bring a packed lunch with them, ideally containing a banana (suggested by the farm for an activity during the day). Children who would usually receive free school meals will have a packed lunch provided for them by the school as usual.

The cost of this trip will be £12.00 per child. This covers the cost of the return coach. The trip to the farm is funded by Natural England and will take place within the normal school day so please drop and pick up your child at normal times.

The closing date for contributions to the trip on parent pay is **Monday 3<sup>rd</sup> July**.

Kind Regards

Miss Chandler and Ms Clarke

Year 5
