

In history we will be exploring:

- A timeline of the first five Chinese dynasties and learning about the legends surrounding the beginning of Chinese civilisation.
- The history of the Bronze Age Shang Dynasty and exploring evidence found in the ancient city of Yin.
- Oracle bones, learning about religious beliefs and explore bronze artefacts that set the Shang Dynasty apart from other civilisations.
- The hierarchy of the Shang Dynasty and discovering who was powerful and who was powerless.
- Warfare and finding out how bronze technology gave the Shang Dynasty an advantage over their enemies.
- Life of the great military leader, Fu Hao.
- Significant aspects of life after the Shang Dynasty.
- Ancient China's lasting legacy can be seen in the world today.
