

Science

In Science, we will be finishing our current unit on materials and then starting our new unit called Plants. We will be learning about different plants and what they need to grow. Alongside looking at plants that we can eat and different types of unusual plants.

Computing

We will be using Purple Mash in all sessions to help us with computing. We will be creating music and pictures using technology to support us.

History

We will be looking at the monarchy both past and present. We will be looking at the impact that the monarchy have upon us and our daily lives. Ordering significant individuals on a timeline and learning about the six significant sovereigns.

Geography

We will be using maps to locate royal buildings and what makes these building extra special for their royal residence.

Magnificent Monarchs

PE

PE this half term will be **Bee Active** on **Tuesdays** – this will be athletics. Mrs Keay will teach PE on Fridays and this will be net and wall games. Children should arrive at school in their PE Kit and stay in their PE Kit for the rest of the day.

Maths

In Maths, we will be completing the following units:

- *Fractions
- *Time
- *Statistics
- *Position and Direction (Geometry)

English

We will be moving onto a brilliant text called **The Last Wolf written by Mini Grey**. In our Creative Writing, we will be writing a letter in role to persuade the characters to save the trees. We will be looking at conjunctions, exciting vocabulary and a range of punctuation.

D&T

We will be creating moving monsters. We will look at a range of mechanisms to create our own monster that can move!

Art

We will be learning all about clay. We will be working and manipulating clay and creating our own houses out of clay. We will also be looking at the different detail and structures to our houses.
