Friday 21st June 2024

Dear parent/carers,

It has come to my attention that we have a growing number of parents who, once they have collected their children, are allowing them to play on the playground equipment, play on the field and in the woodland area and are bringing bikes, scooters and footballs for them to play with, on the playground beyond the end of the school day. In many of these situations, the children not being supervised.

Please can I kindly remind parents and carers that the playground and facilities are used for a number of after school clubs and Care Club at the end of the school day and as a result need to be available to use.

Thank you for your support in this matter.

Kind regards

Mr. S Martin
Head Techer
