Dear Parent/Carer,

I hope that you are well. I am pleased to share with you the final report from our OFSTED inspection that took place on 24th and 25th October. This can be accessed by clicking the following link:

I have provided some key extracts from the report (I could have provided more) to demonstrate the exceptional work that has been recognised and commented on.

"They know that staff care for them and want them to lead successful lives".

"They feel safe and know whom they can turn to if they have any concerns".

"The curriculum is broad and ambitious in its scope".

"There is excellent work in early years to ensure that those first stages of learning are secured and provide strong foundations for pupils when they move into key stage 1 and beyond".

"Reading is important at Goldenhill and is an area of strength".

"Children benefit from expert phonics teaching".

"Behaviour is very good. Pupils conduct themselves well in and out of lessons".

"There is genuine care behind the work of key staff to identify the reasons for poor behaviours and to stop them escalating".

"The school's work to support pupils' personal development is a real strength. There is an absolute commitment to ensuring that every pupil is fully prepared for life".

"The way pupils learn about different careers from an early age is exceptional".

We are very proud of the academy and OFSTED report. I would like to thank all the children, parents, staff, governors and the Societas Trust, for working together and for being part of our exciting journey. It was a pleasure to showcase our academy to the inspectors who were so impressed with our children and staff.

Thank you for your continued support.

Kind regards

Mr. S Martin
