Tuesday 26<sup>th</sup> September 2023

Dear Parent / Guardian,

At Goldenhill Primary Academy we take great pride in our careers programme to enable children to have exposure to a range of different career opportunities that they may want to take as they get older.

As part of this, we will be hosting a STEM Junior workshop at school on Wednesday 25<sup>th</sup>-Thursday 26<sup>th</sup> October 2023. The purpose of the workshop is to allow children to have a glimmer into the world of engineering, programming and robotics.

As part of this workshop, each year group will have their own personal workshop based around STEM (Science, Technology, Engineering and Mathematics). All STEM workshops are fun and packed with learning opportunities where creativity and problem solving are encouraged. Our workshop in October will be focused around STEM robotics.

As part of this workshop, we are kindly asking for a donation of £4 per pupil to be paid via ParentPay. Any queries or questions please speak to the office or your child's teacher.

Thank you for your continued support,

Miss Pitt.
