

Reading

In English, we will be reading *The Secret Garden* by Frances Hodgson Burnett.

Each week there will be lessons on:

- *Reading each chapter.
- *Find & retrieving answers from the text.
- *Thinking about characters, feelings.
- *Thoughts and actions.
- *Vocab and meanings of words from each chapter.

Writing

We will be...

- Identify the audience for and purpose of writing
- Note and develop initial ideas, drawing on reading and research
- Enhance meaning through selecting appropriate grammar and vocabulary
- Use organisational and presentational devices to structure texts
- Use consistent and correct tense
- Distinguish between the language of speech and writing

Maths:

We will deepen our understanding of:

Fractions

Shape

Position and Direction

Decimals

Converting units

Sow, Grow and Farm

R.E.

In the Summer term, we will be asking 'How do Christians decide how they live?'

Music

The children will learn about the music of South and West Africa.

PE

Hockey
Athletics (BeeActive)

Art and Design

Children will create portraits through painting and mixed media. They will also create their own installations through 3D sculpture.

In Design and Technology, the children will make spaghetti Bolognese in their cookery unit.

In **Computing**, we will learn to complete word documents and use external devices.

PSHE

Relationships

Self-recognition and self-worth
Building self-esteem
Safer online communities
Rights and responsibilities online
Online gaming and gambling
Reducing screen time
Dangers of online grooming
SMART internet safety rules

Changing me

Self- and body image
Influence of online and media on body image
Puberty for girls
Puberty for boys

Growing responsibility
Coping with change
Preparing for transition

Science

In the Human Reproduction and Ageing project, your child will learn what life cycles are, order the stages of life cycles for different animal species and compare them. They will learn what mammals are and the five key mammalian characteristics.

They will learn about the stages and processes of the human life cycle. They will learn about human gestation from embryo to birth. They will investigate how humans change and develop from infant to adolescence in the juvenile stage. They will interpret data about human growth and learn about the human reproductive system.

History and Geography

In the Sow, Grow and Farm project, your child will learn about allotments in the United Kingdom and how the government encouraged people to have them to support food rationing during the Second World War. They will have the opportunity to learn about farming in the United Kingdom and the techniques used in modern farming, including the challenges that farmers face. They will learn about the benefits of eating seasonally and about the pros and cons of importing food. They will also learn about world farming and how the different climate zones affect where different foods can be grown.
