

English:

We will be reading the text '**George's Marvellous Medicine**' by Roald Dahl.

In the first half term, we will be following the Grammarsaurus scheme of work.

In the second half term, our English writing will be based around the text 'The Fossil Girl'.

Year 3 Spring Term

THROUGH THE AGES

Maths:

In Maths this term we will learning all about:

- Number – Multiplication & Division
- Length & Perimeter
- Fractions
- Mass & Capacity

Science:

Forces and Magnets

This project teaches children about contact and non-contact forces, including friction and magnetism. They investigate frictional and magnetic forces, and identify parts of a magnet and magnetic materials.

Light and Shadows

This project teaches children about light and dark. They investigate the phenomena of reflections and shadows, looking for patterns in collected data. The risks associated with the Sun are also explored.

History Topic – Through the Ages

This project teaches children about British prehistory from the Stone Age to the Iron Age, including changes to people and lifestyle caused by ingenuity, invention and technological advancement.

Art

In Art this term, we will be looking and abstract shape and space.

Design and Technology:

In D&T we will be focusing on the digital world, focusing on 'electronic charm'.
