Dear parent/guardian,

Welcome back!

I hope you have all had an amazing half term and managed to create many memories. I have enjoyed hearing about these throughout the week and some plans you have for the summer holidays. I can't believe we are in our final half term of Year 2 already! It has gone so quickly but I can't wait to see what the next and final half term holds for them! In order to help you and the children in the next half term, here are a few important bits of information for the upcoming half term:

- Children will be issued with their new reading books. It is essential that children are experiencing reading as much as possible, especially at this stage in their learning. Remember, there are prizes for readers that complete the Aiming High competition. Each time a child reaches the end of the clouds, they will receive a prize at the end of the half term. Please ensure books are in school every day.
- This half term we will be working on athletics and gymnastics in PE. This will be on a Monday afternoon and a Tuesday morning. Children should arrive at school in their PE kit on both Monday and Tuesday and will remain in their PE kit for the rest of the day.
- In homework books, children have a 'Homework Overview', which includes various tasks for the term. You can choose which of these tasks to complete at which time, as long as homework books are placed into the Homework box each THURSDAY, with the date ticked off against the correct piece of homework. Children will then have their homework book handed back to them on a Friday hometime. I will be adding some English and Maths activities for this half term too!
- Spellings will be taught the same as last half term and will be taught solely in school and spellings will not be sent home.
- The topic will continue to be 'Movers and Shakers'. The children have absolutely loved this topic and finding out about significant people from the past!
- A healthy snack will be provided, from school, for the children to eat at break time but children are able to bring in a healthy snack from home if they wish. Or, you can purchase a bagel for your child to have at break time via ParentPay.
- Please remember to order your child's lunches every day before the school day.
- Children need to bring in their own water bottles with them so they can have a drink throughout the school day.

If you have any questions, please do not hesitate to ask any of the year 2 staff! The children have continued to be amazing and I am so proud of their resilience and hard work during such difficult times. I know it will continue to be an amazing end to the year for us all!

Thanks for your continued support,
Miss Pitt
