Dear parent/guardian,

Online Learning!

Just a quick thank you for all your continued support and patience with our online learning. It has been great to see so many of the children online and on Teams every day. The children are working so hard every day and have picked up on the new way of learning so quickly. I am SO proud of them all.

Next week we are going to add in the use of assignments on Teams. This means you can edit a document/worksheet that I have set for the children. I am then able to give feedback on this work. We are asking for these assignments to be completed and handed in by **all** pupils completing online learning. If you have been sending photos in of your work on the private channels then please continue to do so as the assignment work is the minimum requirement of work that needs to be handed in.

If you would like your child to write the answers in their work books, instead of typing or editing on the sheet then just take a photo of the work and you can add this photo to the document on assignments instead. Either way is fine.

To access the assignment all you need to do is:

- Click on assignments (at the top of the general page on Teams similar to Files) and I have set you a reading comprehension to do.
- When you click on the assignment tab click on the button that says open in teams.
- You may have to sign in. You just need to sign in with your outlook email and password.
- Then the assignment should appear click on this assignment (Gruffalo Reading Comprehension) and the word document should come up and you can type on it and edit this document.
- When you are finished with this task click on the close button and it will automatically save.
- Next week's task on assignments is for Monday during the reading session and will be due in by the end of the day on Monday. I will then mark your work and give you feedback on this.
- This assignment will be the minimum requirement of work that needs to be uploaded by the children each week. However if you would like to send photos of the children's other work via their private channel that would be lovely to see.

If you have any questions, please do not hesitate to ask! I will talk through this again on Monday morning though and hopefully it will all work smoothly. Have a well deserved weekend.

Thanks for your continued support,
Miss Pitt
