18th June 2021

Dear Parents/Guardians,

The schools across the MAT have joined together to create the Societas Olympics Events. This will take place during National Sports Week; week commencing the 21st June. Sadly, this year we have not been able to host our annual sports day. The Olympics events will take place instead of our annual sporting event. Unfortunately, due to current restrictions we will be unable to welcome parents to these events. Photos of all of the events will be available to view on our school website.

Each school will take part in five sporting events. The children will participate in these events in their own class bubbles. There will be a running race, a jumping event, a throwing event, a distance event and a team event. Children will be grouped within their classes in five teams. Each team will represent one of the colours of the Olympic rings which also symbolises the five continents – blue (Oceania), black (Europe) red (Americas), yellow (Africa) and green (Asia). Work will be done in class with the children based around the understanding of the Olympics and the importance of participation. All children will be awarded a participation certificate.

Results will be recorded for the top three scores per class per event and there will be a winning team colour across each setting.

Children will need to come to school wearing their PE kit on the day they are doing their Olympic events (in addition to their normal PE day(s). Details of this can be found on the table below:

Year group	Olympic event day
FS1	Friday
FS2	Friday
Year 1	Thursday
Year 2	Thursday
Year 3	Monday
Year 4	Wednesday
Year 5	Wednesday
Year 6	Friday

This will be a fantastic sporting event which the children will all enjoy!

Kind Regards,

Lucy Lea-Smith
