Dear Parents/Carers

CARE CLUB PROVISION CHANGE

As you are all aware, Care Club has been operating in Key Stage bubbles due to Covid restrictions. As from today the guidance has changed and we are now able to let the children mix with each other and remove the barriers that we have had to have in place.

From next Monday the children will be all together in the hall and be able to play and mix across the key stages. The opening and closing times will remain the same as the strict cleaning routine will still be needed.

We are still asking parents to drop off at the main office doors and not enter the building. Please ensure that you adhere to social distancing during this time. Picking up your children will follow the same procedure as drop off, please do not under any circumstances enter the building.

Some measures will remain in place and we ask that you still adhere to these please.

- Children will need to hand sanitise on entry to the building
- Shared areas and spaces will be cleaned frequently
- Equipment will be sanitised before and after use

Booking for Care Club will remain the same. You will need to book your place with Care Club directly on 07932 354363 and then immediately book again and pay for your sessions on ParentPay. Places will be restricted to 30 so please book in advance.

Risk assessments are in line with school policies and are available on the website.

If you have any queries or concerns, please do not hesitate to contact us on the number above.

Kirsty Evans
Care Club Manager

Claire Meadowcroft
Extended Services Manager
