

Twinkl Green Week 2018 Chatterbox Activity

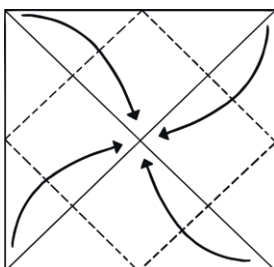

Instructions

①

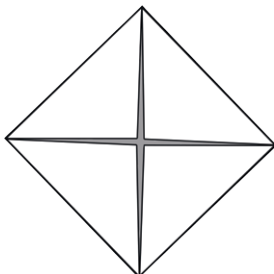

With pictures face down, fold on both diagonal lines. Unfold.

②

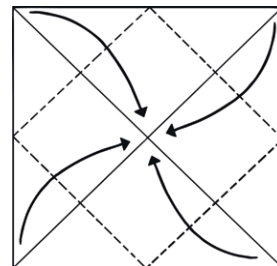

Fold all four corners to the centre.

③

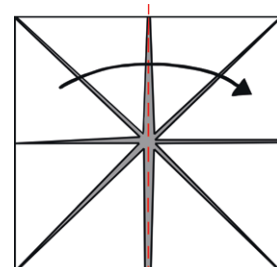

Turn paper over.

④

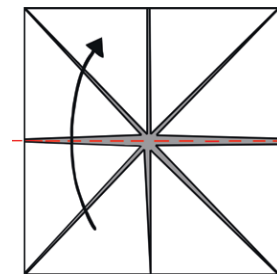

Once again, fold all corners to the centre.

⑤

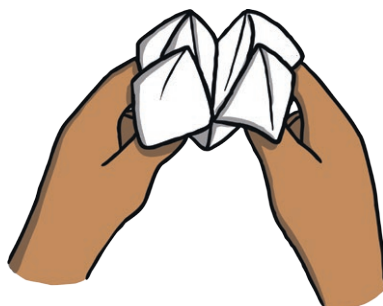

Fold paper in half and unfold.

⑥

Fold in half from top to bottom. Do not unfold.

⑦

Slide thumbs and forefingers under the squares and move the chatterbox back and forth to play.

Twinkl Green Week 2018 Chatterbox Activity

 Refuse	True or false? If there's not a bin, it's OK to throw rubbish on the ground.	Which of these items can be recycled? Plastic bottle, newspaper, can and a banana peel.	 Recycle
What are the missing words? Rethink, refuse, recycle.	Reduce and reuse.	False – put it in a bag or pocket and take your rubbish home.	Why are plastic bags dangerous to animals? The animal could eat the plastic or become trapped in it.
True or false? Climate change just means the world gets a little bit warmer.	False - climate change not only makes the Earth warmer, it also makes the weather become more extreme and unpredictable.	You create less pollution and it's good exercise.	Why is walking good for you and the environment?
Reuse 	Understand the problem with plastic by using less plastic and finding ways to reduce, reuse, recycle or rethink for a more sustainable life.	False – they could take anywhere up to 1000 years to decompose and cause a great danger to wildlife.	Reduce 

Twinkl Green Week 2018 Chatterbox Activity

Refuse

What are the missing words? Rethink, refuse, -----, -----, recycle

Reduce, reuse.

True or false? If there's not a bin, it's OK to throw rubbish on the ground.

False – put it in a bag or pocket and take your rubbish home.

Recycle

Which of these items can be recycled? Plastic bottle, newspaper, can and a banana peel.

Plastic bottles, newspapers and cans can all be recycled but banana peel needs composting.

Why are plastic bags dangerous to animals?

The animal could eat the plastic or become trapped in it.

Reuse

Twinkl Week helps people to...?

Understand the problem with plastic by using less plastic and finding ways to reduce, reuse, recycle or rethink for a more sustainable life.

True or false? climate change just means the world gets a little bit warmer.

False – climate change not only makes the Earth warmer, it also makes the weather become more extreme and unpredictable.

Reduce

Why is walking good for you and the environment?

You create less pollution and it's good exercise.

True or false? Plastic bags are good for the environment.

False – they could take anywhere up to 1000 years to decompose and cause a great danger to wildlife.
