National Day of Reflection on Tuesday 23rd March 2021

Dear Parent/Carer,

On the 23rd March, pupils and staff at Goldenhill Primary Academy will come together virtually for a **National Day of Reflection** to reflect on our collective loss and hope for a brighter future.

The 23rd March represents the first anniversary of the UK Coronavirus lockdown. Since that date, over one hundred thousand people have died. Too many lives have been cut short and millions have been bereaved.

At Goldenhill, we have recognised the importance of participating in this event.

Every child in the academy has painted a daffodil to show their respect to those who have been affected by Coronavirus. Each of these will be attached to the fencing along Broadfield road. During the day, the children will explore the significance of this date and will be able to share their thoughts. During this day, we will pause to observe the national minute of silence at 12 noon.

I know that you will all agree that it will be an important day to reflect on the past year and that the daffodils will create a wonderful tribute.
