New Perimeter Fencing

Dear Parents/Carers

We are delighted to inform you that the academy has been successful in a funding application to replace part of our Perimeter fencing around our school field and our existing delivery gates at the back of the school with new automated gates for pedestrian/vehicles access.

The work is scheduled to commence after the Christmas holidays and is forecast to take approximately three weeks to complete. The project will at various points affect the drop off / pick up access points to the school for Year 3 and 4 parents and we will notify you in advance of changes that we will need to make.

We apologise for any inconvenience caused but this work is required to replace defective fencing and strengthen our safeguarding processes to keep all our pupils and staff safe.

Thank you for your understanding.

Yours sincerely

smartin

Mr. S Martin

Head Teacher
