

Helping Hands

7/10/20

Dear Parents/Guardians,

Firstly, welcome back everyone to another year of fundraising for our school and a very warm welcome to all our new Parents and Guardians.

Supporting our school is vitally important to provide funds for the 'little extras' for our children which the school budget unfortunately is not able to cater for. We also like to support other charities such as Children in Need.

Fundraising will be taking a slightly different style than usual as due to the current Covid 19 restrictions we are sadly unable to host our usual discos, fayres etc. When restrictions are removed, we will recommence our traditional and new fundraising ideas!

We will be hosting non-uniform days with a different theme each time. All classes are invited to join in the fun! We request that for each non-uniform day a £1.00 donation is made via ParentPay or cash on the day please.

The table below gives dates of the non-uniform days until Christmas and the theme.

Thank you for your continued support,

Helping Hands
