

Science

In Science this half term, we will be looking at Forces and Magnets. We will be looking at what a force is and will have lots of fun investigating different types of magnets!

Computing

We will be using Purple Mash in all lessons to help build our computing knowledge and learn about coding and how it works in the real world!

History

We will be learning all about The Roman Empire. What did the Romans eat, what did they wear, how did they live and what was life like for The Romans. We will also be finding out all about Queen Boudicca.

Geography

We will be using maps (both old and new!) to see how the local area is presented now and how it was in the past. We will investigate the legacy of Roman Britain in our local area.

Emperors and Empires

PE

PE this half term will be Health Related Exercise on **Mondays and Tuesdays**. Children should arrive at school in their PE Kit and stay in their PE Kit for the rest of the day.

Maths

In Maths, we will be learning all about place value before moving on to addition and subtraction! We will start by partitioning numbers to 1000.

English

Our class text is going to be Roald Dahl's 'George's Marvellous Medicine.' We will be writing recounts of different parts of the story and writing our own character descriptions. In our Creative Writing, we will be writing our own recipes for a potion! We will also be writing our own poetry, using similes and metaphors.

D&T

We will work on constructing a castle suitable for an Emperor!

Art

We will study the work of a famous artist. We will also be creating our own mosaics.
