Dear Parent / Carer

I hope this finds you well at such a difficult time.

As you know, for the period of the National Lockdown, our commitment is to ensure there are places available for children of critical workers and vulnerable children at school. It is also important that people who are critical workers and who need a place feel confident that we are maintaining as safe an environment as possible for their children, to allow them to continue the work so vital to supporting the wider community.

Whilst our priority is the children of critical workers and vulnerable children, our nursery class, at Goldenhill, is open, so please contact us via the school office to let us know if you feel you need a place for your child in the nursery.

We take our responsibility very seriously and need to find a balance between meeting the needs of families whilst keeping our communities safe. With this in mind, as per the Government guidelines, if you are able to keep your child at home whilst the National Lockdown is ongoing, then that is the best place for them to be.

We would like to reassure you that if you make the decision to keep your child at home, we will support you with remote learning. There will be no repercussions with regard to attendance.

Thank you for your ongoing support and cooperation.

Yours sincerely,

Mr. S Martin

Head Teacher
