Statement of intent

At Goldenhill Primary Academy, we believe that work experience is an important learning experience for young people. Work experience at our academy allows individuals to experience the social interaction, professional values, daily routines and general demands that typify a role in an academy. As well as benefitting the young person who undertakes work experience, at Goldenhill Primary Academy we believe that this opportunity can also benefit our pupils. Young people on work experience can bring enthusiasm, practical help and increased engagement to the classroom. The benefits of work experience to both the young person and our academy mean that Goldenhill Primary Academy is committed to providing opportunities for work experience within the academy wherever this is possible and practicable, and where this does not interfere with the quality of teaching and learning provided to our own pupils.

This policy sets out the practices and procedures which will be followed when young people undertake work experience at Goldenhill Primary Academy. This allows our academy to provide a safe environment and positive educational climate for pupils.

1. Contacts

The main contacts for the young person undertaking work experience are:

- The Headteacher/Deputy Headteacher/ Assistant Head Teacher
- The Academy Business Manager
- The academy office
- The class teacher

2. Activities

Activities that young people undertaking work experience may be engaged in might include:

- Academy visits/trips
- Activities during lessons
- Assisting practically during events in the academy, i.e. worship
- Working with individual children
- Reading sessions for children
- Supporting staff to run Kids Club and after academy clubs

3. Safeguarding children and child protection

The academy will have regard to the DfE statutory guidance, 'Keeping Children safe in education'. This states that a supervised volunteer (i.e. an individual carrying out supervised work experience) does not require a barred list check but should obtain an enhanced DBS check where they are over the age of 16. All young people undertaking work experience at our academy must be supervised at all times and made aware of our child protection policies and who the school's DSL is.

4. Procedures

a. Consideration stage

Before a young person is accepted to undertake work experience, the following procedures must be completed:

- The young person must provide a written letter of application and must supply references from their secondary academy / education establishment.
- The teacher who will be supervising the young person must accept this responsibility after taking into account their upcoming lessons and tasks.
- The young person must meet with the Business Manager and Headteacher (or deputy Headteacher or Assistant Head Teacher) and/or the teacher who will supervise their work experience so that the young person's suitability can be assessed. The Headteacher has the power to either refuse or end a young person's work experience at any time.

b. After consent is given

After the Headteacher has consented to the young person undertaking work experience, the requisite documentation should be completed and a copy will be stored by the academy office.

c. The first day

On the first day of their work experience, the young person must sign-in at the office and then report to the Headteacher/ Deputy Headteacher or Assistant Head Teacher and Academy Business Manager.

The Headteacher/ Business Manager must ensure that the young person has understood the academy's Safeguarding Policy, as well as all relevant parts of the Staff Handbook. Pertinent points in this handbook should be raised and discussed as necessary. The young person must declare that they have understood this policy. The young person will then be escorted to the classroom where they will be completing their work experience.

Work experience may comprise a number of weeks or days, or could be arranged for a number of days per week for a set number of weeks. Pupils will be given experience in as broad a range of activities as possible.

5. Welfare and safety of pupils and those undertaking work experience

Goldenhill Primary Academy aims to ensure that activities are planned properly and safely, and that young people undertaking work experience are informed of these plans. We strive to ensure that young people completing work experience at our academy have access to a member of academy staff, should they wish to discuss difficulties or report on issues that may arise. All staff, visitors and volunteers are required to be identified and located at all times. For this reason, all those undertaking work experience should:

- Sign-in and out of the building at the office/reception
- Wear the visitor's badge at all times

6. Health and safety

Young people on work experience are required to comply with the academy's Health and Safety Policy. They should be made aware of emergency procedures (e.g. evacuation) and safety aspects of being involved in a particular task (e.g. while in a cookery class). Risk assessments must be undertaken before the young person begins their period of work experience. The young person should also read the academy's Health and Safety Policy to certify that they have understood and will comply with this document.

7. Absence

If a young person completing work experience is unable to attend for any reason, they are required to inform the academy by calling the office number on 01782235790 before 8.45 a.m. If, for any reason, a work experience volunteer is called away while working at the academy, they should inform their class teacher, the office and sign out before leaving the premises.

8. Confidentiality

All information on individual pupils and members of staff is confidential and the sharing of data is protected under the Data Protection Act 2018. Anyone undertaking work experience is not permitted to discuss children's or staff members' personal information with other professionals in the academy. In addition, such information should never be shared with anyone outside of the academy. Any individual who breaks this confidentiality rule will be asked to leave the academy. There may be instances where work experience volunteers must pass information to the Headteacher or class teacher. These include incidents where a child is upset or when a child discloses that he or she is being harmed in any way. Volunteers are strongly advised

to report this to the child's class teacher and/or safeguarding co-ordinator as soon as possible. Under no circumstances should the parents be contacted.

9. Internet use and social networking

Young people on work experience are expected to behave in an ethical and lawful manner with regard to the use of the internet and emails. The academy's computing Policy and Social Media Policy should be complied with at all times. Care and attention should be taken while using social networking sites. Use of these sites should not involve communication regarding employment at Goldenhill Primary Academy or any activities which may bring the academy into disrepute and/or may cause questions regarding the individual's suitability to work with children. Work experience volunteers must not attempt to contact pupils via social media or email, or make arrangements to meet outside of academy.

10. Equal opportunities

At Goldenhill Primary Academy we do not tolerate discrimination on the grounds of age, disability, race, ethnic background, colour, religion, gender or sexual orientation, per the Equality Act 2010. Additionally, though not protected characteristics under the Equality Act, marital, social and financial status should never be grounds for discrimination. All work experience volunteers are required to make a commitment to this policy and treat everyone with respect at all times.

11. Code of conduct for those on work experience
