Dear Parents and Carers,

At Goldenhill, we teach children how to make good choices through our simple school rules:

Be Ready
Be Respectful
Be Safe

We use a clear step system called our Behaviour Pathways to help children understand their choices.

For younger children, we explain it using feelings:

- 😊 Happy and Ready – I'm calm and learning.
- 😬 Reminder – Oops! I need to refocus.
- 😬 Help to Refocus – An adult helps me get back on track.
- 😬 Time-In Chat – I talk with an adult about what happened.
- 😬 Time-In Reflection – I have time to calm down and reflect.

If behaviour is unsafe, senior leaders step in to help keep everyone safe.

Instead of "punishments", we use Time-In, where children:

- ✓ Calm down
- ✓ Talk about what happened
- ✓ Fix friendships
- ✓ Have a fresh start

We believe mistakes are opportunities to learn. Adults respond calmly and consistently, and we always consider each child's individual needs.

We have worked closely with our Pupil Council to help shape and refine the new Behaviour Pathways System, and all pupils have had the opportunity to complete a pupil voice survey about the changes, with the overall feedback being very positive and supportive of the new approach.

Thank you for supporting us in helping your child grow in confidence, kindness and resilience.
