07/05/20

Dear Year 6 children and parents,

What a crazy and unexpected year this has been and continues to be! Next week you should have been taking your SATS tests and now it is not going ahead. I know you may feel that your efforts have been wasted but I just wanted to let you know that your incredible hard work this year has not been wasted or gone unnoticed.

Even though the results of the SATS papers are used to assess your progress from KS1/KS2 and your attainment at the end of Key Stage 2, this is simply a small part of the puzzle. The work you have completed and are continuing to do at home are great foundations for your new learning journey at high school. I do not want you to worry about your transitions as I have been and I am still in constant contact with your future new schools, to let them know how lucky they are to have you and how uniquely wonderful each and every one of you are! I have shared lots of information about you such as your work ethics, interests, friendship groups, worries that you may have in order to give you the best possible transition to high school.

I also want to make it clear to you that you will not leave Goldenhill Primary Academy without a **HUGE** fuss! No matter what the future holds, I can assure you that you will have your leavers' assembly to celebrate all your AMAZING achievements this year and your hard work at Goldenhill. Of course, I **cannot forget**, your leavers prom, your leavers hoodies, leavers autobiographies and a chance for you to sign your leavers shirts!

As your teacher, I am very proud of each and everyone of you, for all of your hard work this year, your confidence in your abilities (in and outside the classroom) and how you have grown so much as individuals! I miss each and everyone of you and I remain hopeful that we will be reunited again soon. In the meantime, stay safe and take care.

Kind Regards

Miss Carter

Year 6 Class Teacher
