

Maths

- Number and Place Value
- Addition and Subtraction
 - Measurement (Area)
- Multiplication & Division (A)

Guided Reading

Our Class Text is 'Wind in the Willows'

English

- Grammarsaurus (range of grammar objectives)
- Poetry 1 (Free verse)
- Poetry 2 (List Poem)
- Gorilla (Narrative Story)

RE

- People of God (Noah's Ark)
- Judaism

Autumn Term Invasion

P.E

Teacher led: Ball skills (Mondays)

Bee Active: Football (Tuesdays)

PSHE

- Being me in my World
- Celebrating Differences

Science (Grouping & classifying)

This project teaches children about grouping living things, known as classification. They study the animal and plant kingdoms and use and create classification keys to identify living things.

Computing

- Computing systems & Networks: The Internet.
- Artificial Intelligence.

Art

Mega materials (sculpture & 3D)

Topic (History Based)

In the Invasion project, we will explore the effects of the Roman withdrawal and the chronology and geography of subsequent invasions. We will study the Anglo-Saxons and Vikings in detail, examining their reasons for invading, their settlements and their everyday life. We will also look at monasteries and the Anglo-Saxon legacy. We will consider how we know about life in this period and investigate the Sutton Hoo ship burial. We will also learn about Athelstan, an Anglo-Saxon king, and what happened after his death, before ending the project by learning about the Norman invasion of 1066.
