Monday 11th May 2020

Dear Parent and Carers,

I hope you and your families are looking after yourselves and keeping safe.

I am sure most of you are aware of the Prime Minister's address last night and the announcement that the government hopes that primary schools may be able to start a gradual re-opening of school from the 1st June.

As Head teacher, I heard the announcement at the same time as you. I am sure that you have lots of questions that need answering about how this is going to look in practice. We are awaiting more guidance from the Department of Education this week and once we know more we will let you know as soon as possible. The initial address spoke about the return of Reception, Year 1 and Year 6 pupils first.

However, please be reassured that the safety of your children and the staff at Goldenhill in a gradual re-opening is of paramount importance to the academy.

Currently, we are not open. The current guidance remains that where possible, children should be looked after at home. We will continue to care for the key worker families that we have looked after over the last 7 weeks, and I must thank the staff for doing this.

I am sorry I am not able to give you any more information at this point, but as information and guidance becomes available to schools, we will communicate with you about a possible phased opening.

Once again, the school office is open should anyone have urgent queries. In the meantime, the office email is checked regularly should you need to get in touch with us.

Please take care and keep safe.

Mr. S Martin

Head Teacher
