Dear Parents,

Learning to read is one of the most important things your child will ever learn. It underpins everything else, so we put as much energy as we possibly can into making sure that every single child learns to read as quickly as possible. We also want your child to develop a real love of reading and to want to read for themselves. This is why we work hard to make sure children develop a love of books as well as simply learning to read.

We start by teaching phonics in Nursery and throughout the Foundation Stage and Key Stage 1. At Goldenhill Primary Academy we follow the Letters and Sounds principles and practice of high quality phonics.

We would like to invite parents and carers to an informal phonics / reading information session on Monday 18th November. This is very important for parents of children in the nursery, reception, Year 1 and 2 although everybody is welcome to attend. A crèche will be available.

We look forward to seeing as many of you as possible at this meeting. Please could you indicate below if you wish to attend so I make sure I use a suitable sized room!

Many thanks

Mrs S. Cookson
