Dear Parents / Guardians

As part of our Maths Curriculum at Goldenhill, we are developing the children's use of timetables focusing on accuracy and speed. To aid this, we are implementing the use of an online programme known as Timestable Rock Stars which is a fun and challenging programme designed to help children throughout the school master the times tables! All children will be able to access their Timestable Rock Stars account at home which allows them to practise their timetables through the use of games.

Attached is your child's personal username and password to access TTRS and a guide/ explanation of the programme.

Please feel free to contact myself if there are any questions, queries or concerns that you may have about this.

Kind Regards

Miss Carter
Year 6 Teacher
Maths Leader
