Dear Parent/carers,

The children have made an amazing start to the academic year and have settled in really well.

Please can I ask parents to drop children off at the doors in the morning so that they can come into school on their own. This is not only for safeguarding reasons but also to enable children to develop their independence.

I understand that at times you may need to pass on information to your child's class teacher, however due to how busy the mornings are, when children are arriving, teaching staff are not able to meet with individual parents, as their focus is on working with their class. All messages can be left with members of staff on duty at the doors. These will be passed on to class teachers. In addition Mrs Meadowcroft is available for any sensitive conversations and any support that you may require.

If you do require an afterschool appointment with your child's class teacher please contact the academy office and this can be arranged.

Thank you in advance for your cooperation in this matter.

Yours sincerely

Mr. S Martin
Head Teacher
