June 2020

Dear Parents

Although children are not to bring things in from home, to cut down the risk of contamination, we realise that children in Reception are likely to need a change of clothing. On the day of your child's return to school could you please send them with a complete change of clothes including pumps / shoes, socks, pants, T shirt, skirt or trousers, just in case of accidents, in a **named** bag. This will then be sprayed down with anti bacterial spray on entry to school and kept on the peg for when / if they need it. Any soiled clothes will be sent home with the child as normal at the end of the day – please remember to replace spare clothes the next day in case they need it again.

Hopefully we will look forward to some lovely warm weather over the next half term and we will aim to be outside as much as we can. As a result of this, it is very important that the children are sun safe. All children will need a **named** sun hat in school and to have **All Day Sunscreen** applied **before** they come to school. Obviously, this year, more than ever, we are unable to apply suncream to your child. It is really important that your child is safe in the sun and can enjoy the lovely weather (hopefully) to the full!

Many thanks for your understanding and support.

Take good care. Warm regards

Mrs Cookson
