11/ 02/2020

Dear Parents

Next half term as part of our 'Do Cows drink milk? Why do ladybirds have spots?' topic I have organised an educational visit to see and hold baby lambs and chicks at Bearstone Farm near Market Drayton. This will give the children the opportunity to see a working farm up close and they will be able to have a tractor trailer ride.

This visit will take place on 23rd and 24th March 2020. We will leave school at 9.00am and return by the end of the school day. We will take half the class on the Monday and half on the Tuesday as the nature of the activity in a working farm obviously has restriction on its numbers. I will accompany the children one day with 5 other members of staff and Mrs Proffitt will go the other day with Mrs Williams, as the lead teacher. I will let you know closer the time which day your child will go on the trip.

The cost of the trip is £12 per child, please pay on Parent Pay.

All children will have a packed lunch provided by the school. I would like the children in a school jumper or cardigan please with warm trousers and boots and coat suitable to the weather at the time.

This should be a very enjoyable day out.

Regards

Mrs S Cookson
