3rd October 2019

Dear Parents,

On Tuesday 15th October the library service in Stoke on Trent will be visiting our class regarding free booktime packs for Reception children. The book packs include a free book for each child – a lovely story book for parents and children to share – and games and information about the library service and reading with your child.

Kylie from the library service will be visiting to give each child and their parents these books. She will be reading some stories to the children and parents, encouraging parents and children to read together. She will spend some time talking about the importance of reading and the use of the library service.

The session will take about 30 minutes and will be held in the Reception classroom at 2.30pm. We would love to see as many of you as possible at this special event.

Many thanks

Mrs S Cookson
