

Science

In Science, we will be looking at 'Living Things and Their habitats'. In this unit of work we will be looking at where different animals live and trying to group these animals. We will also be looking at why animals live in certain habitats.

PE

We have now finished Forest Schools for this year and we will be moving on to Dance on a **Friday** afternoon and Bee Active on a **Tuesday**. Please ensure PE kits are in all week.

Maths

We will continue our work on multiplication and division work, and using our times tables to answer these questions. We will be looking at different methods to help us work out some tricky number sentences!

English

Our class text will be Goldilocks and the Three Bears. We will be rewriting the stories in our own style and will be writing the revenge of the bears. In our Creative Writing we will be learning about non-chronological reports and having a go at writing our own non-chronological report.

Computing

We will be using Purple Mash in all lessons to help build our computing knowledge. We do this every Wednesday morning with Mrs Howson.

History

We will be learning about significant historical events and people in our own locality and learn about changes within living memory.

Geography

We will be studying the geography of our academy and its grounds. We will also be looking at the key human and physical features of its surrounding environment. We will be using a range of locational and directional language to make routes.

Street Detectives

RE

We will be answering the question *Who is Jewish and what do they believe?* We will be looking at what could be found in a Jewish home and what festivals Jewish people celebrate.

D&T

Children will be designing and making a chair for Baby Bear from the story Goldilocks. Please remember to bring in cardboard boxes!

Art

We will be learning and using different techniques using the styles of different artists and the disciplines.
