Year 5 trip to Jodrell Bank

Dear Parent/Guardian,

In the Spring term, Year 5 will begin their learning all about Earth and Space, during their Science lessons. The unit of learning is certainly very exciting, but, as you can imagine, not usually very hands on! This year, we have booked a trip to Jodrell Bank, where the children will really get to experience their learning in real life.

During the trip, the children will have the opportunity to watch an inspiring planetarium style show, in the amazing Space Dome. They will tour the solar system and discover constellations. In addition to this, the children will have plenty of time to explore the exhibitions at Jodrell Bank, and ask all of their questions to the knowledgeable guides there.

The trip will take place on **Thursday 5th February 2026**. Children should come to school at normal time, and through their usual entrance. If your child has a free school meal, their lunch will be provided. Otherwise, we please ask that you provide your child with a packed lunch for this trip.

The cost of this trip will be **£28.00** per child. This includes entrance to Jodrell Bank, and the cost of the coach. Arbor has been set up for you to pay for this experience. If you have any issues with Arbor, please contact the school office.

If we don't receive enough contributions towards the trip we reserve the right to cancel the event. We ask that all payments are made by the 29th January 2026.

As always, if you have any questions about this experience or would like to know any more information, do not hesitate to speak to a member of the Year 5 team.

Thank you for your continued support,

Mrs Keay
