

Science

In Science, we will be completing unit called 'Everyday Materials', which involves learning about different materials and their uses. We will compare and group materials based on their properties, and work scientifically to explore which materials can keep us dry in the rain! We will then move onto Human Senses and learn the uses of different senses and how they keep us safe.

Computing

We will be learning about Technology Around Us and what different devices there are, how to create pictures by clicking and dragging. We will also develop our online safety skills and create pictograms.

History

We will be studying timelines of our lives, and looking at our family trees. We will then explore what it was like to live and be a child in the 1950's. We will compare what childhood is like now, to what it was like for children in the past.

Geography

In our 'Our Wonderful World' topic will learn about maps and positional and directional language, the equator, hemispheres and continents and are introduced to the countries, capital cities and settlements of the United Kingdom. The children will carry out simple fieldwork to find out about local physical and human features.

PE

PE this term will be on **Tuesday** and **Thursday**! Don't forget to come to school wearing your PE Kit ☺ We will be working on fundamental PE skills, ball skills and our fitness.

Childhood

RE

We will be learning about what Christians believe God is like and understand that Christians believe that God created the world.

Maths

In Maths we will be learning about place value. We will practise our counting, and learn about different ways to represent numbers. We will order and compare numbers, and then move on to addition and subtraction within 10.

English

We will be learning about nouns, verbs and sentence structure as we complete a punctuation and grammar unit. We will explore rhyme and performance with a counting sea songs poem. Our class text will then be Nibbles The Book Monster and we will be learning how to accurately punctuate sentences, join clauses using the conjunction 'and' write a diary entry based on Nibbles' adventures.

D&T

We will be practising joining materials and then learning to make our own puppets related to our class text.

Art

We will be learning all about famous artists and use charcoal to create our own versions of art based on what we have learnt.
