September 2025

Dear Parent/Guardian,

Welcome back!

I hope you all had a lovely, relaxing summer break. My name is Miss Wood, and I am so excited to introduce myself as the new Year 3 teacher. It's a real pleasure to be joining such a warm and welcoming community, and I'm absolutely thrilled to be teaching your children this year.

This half term is already shaping up to be an exciting one! Below, you'll find some key bits of new information as well as a few important reminders to help us get off to a smooth start.

- **PE:** This half term, the children will have PE on a **Monday** and a **Friday**. Children should come to school wearing their PE kit on these days. For children with earrings, these must be either removed or covered for PE sessions. Plasters must be brought in to school. Please note that PE days are likely to change each half term- but we will keep you updated!
- **Homework:** The first homework activities will be given out on Friday 12th September. You can choose the order in which the homework tasks are completed, as long as they are completed each week. Homework books should be given in each Wednesday, and they will be handed back out on a Friday.
- **Reading:** Children should bring their reading book(s) and yellow reading diary to school every day. We will continue to encourage a love of reading and make time during the school day for children to read for pleasure. As part of our reading programme, the children will move up on our Accelerated Reader display once they have completed a quiz on the book they've been reading. This is a great way to celebrate their progress and motivate them to keep exploring new stories!
- Children need to bring in their own **water bottles** with them so they can have a drink throughout the school day. These are available to purchase from the Office for a small cost of £1.80
- **Topic:** Our topic web for this half term is also attached. This outlines the key learning we'll be covering. It's a great way to see what your child will be exploring in class and to support their learning at home.

If you have any questions, please do not hesitate to ask!

Thank you for the continued support,

Miss Wood.
