Dear Parent/Carer

We hope that your child is enjoying school life.

The Stoke-on-Trent 0-19 Integrated Health Visiting and School Nursing Service is here to support your child's health and wellbeing all the way from birth to 19 years (25 years with special needs or disability).

We wanted to take this opportunity to let you know that if you have any worries or concerns about your child's health or development, we may be able to help.

We also have some helpful hints, tips and advice that cover a range of subjects from preparing for school to common illnesses available on our website <https://www.mpft.nhs.uk/services/health-visiting-and-school-nursing>

During the reception year your child will have their vision checked by the Orthoptist and may receive a visit from a dentist. You will be sent a letter from both of these services when they are due to come into school.

If you do have any queries that you want to talk to us about please contact the Stoke 0-19 Hub on 0300 404 2993, which is staffed Monday-Friday 9am -5pm.

Yours faithfully

Stoke-on-Trent 0-19 Integrated Health Visiting and School Nursing Service
