

Science

In Science, we will be completing unit called Plants. We will be learning about different plants and what they need to grow. We will also be looking at famous scientists from across the world and from the past and present day.

PE

PE this half term will be **Health & Fitness** on **Mondays** and **Athletics** on **Tuesdays**. Children should arrive at school in their PE Kit and stay in their PE Kit for the rest of the day.

Maths

In Maths, we will be learning all about measurement. Reading a range of scales, telling the time and learning positional language and sorting directions.

English

We will be moving onto a brilliant text called The Tunnel by Anthony Browne. In our Creative Writing, we will be writing a diary entry from the viewpoint of one of the characters and writing our own version of The Tunnel in our very own mystical kingdom. We will be looking at conjunctions, exciting vocabulary and a range of punctuation.

Computing

We will be using Purple Mash in all session to help us with computing. We will be creating music and pictures using technology to support us.

History

We will be looking at the monarchy both past and present. We will be looking at the impact that the monarchy have upon us and our daily lives. Ordering significant individuals on a timeline and learning about the six significant sovereigns.

Geography

We will be using maps to locate royal buildings and what makes these building extra special for their royal residence.

Magnificent Monarchs

D&T

We will create a healthy meal for the Queen's lunch with fresh, delicious ingredients.

Art

We will be learning all about portraits. We will start this unit of work by looking at royal portraits and what makes them special. We will then recreate a royal portrait using a range of taught techniques.
