Dear Parents/Guardians

Year 2 SATs

As I am sure you are all aware, during the month of May, Year 2 pupils are required to sit their SATs exams as part of their end of key stage testing. The children will sit two mathematics papers (arithmetic & reasoning) and two reading papers. Although the children will sit these papers, and the results will be used, the end results will rely on teacher judgments that I have taken throughout the year. All the children have been working extremely hard throughout the year and I am extremely proud of all of their efforts.

During the month of May, children will be taken out in small groups, by myself, to sit each paper. This then means that the tests will be administered throughout the whole month of May to ensure that children are in a relaxed environment and to not over whelm them with this new scenario. When children are not sitting the tests they will be taking part in revision sessions and fun, calming activities within the class.

At the end of May, once all tests have been administered, the children will receive a mystery treat for all to enjoy and to thank them for all of their hard work and enthusiasm.

It is therefore crucial that all children are in school throughout the whole of May and arrive to school on time and well rested.

The children will also be bringing home with them a past reading and maths paper for you to do over half term, if you wish. This will be a great help to keep the strategies fresh in their minds ready for when they return from half term.

If you have any questions with regards to SATs please come and find me at the end of the school day.

As always, thank you for your continued support

Miss Pitt.
