

BEE ACTIVE

Dear Parents and Guardians,

To celebrate the partnership between Bee Active and your child's school, our marketing team would love to capture and share some of the amazing sports and physical activities taking place.

Bee Active has a duty of care towards the children we work with, and as such, media consent is required from you as parents/guardians of the children participating. If you are happy for us to include your child in our media coverage, we'd be delighted if you could complete a short form by following the link below.

Submit your media consent form at:

www.beeactive.co.uk/social

Bee Active will take all necessary steps to ensure any images produced are used solely for the purposes for which they are intended. Media may be published into the public domain on many platforms; including social media, the internet and used in promotional materials for both Bee Active and Bee Active TV.

Your child's safety is as important to us as it is to you. Any material will be stored securely and used solely by Bee Active and Bee Active TV. Consent is entirely at your discretion and your child will still be able to participate if this is not something that you wish to do at this time.

Once you've completed the form, don't forget to keep an eye on our social media channels to possibly see your child in action!

If you have any questions or concerns then please don't hesitate to contact us on **info@beeactive.co.uk** or **01782 205915**.

Best wishes,
The Bee Active Team
