Dear Parent/carer,

## Covid-19 Update – Week commencing 17th January 2022

Over the weekend, yet more Covid cases have been identified across all classes. The number of children affected continues to grow and is the most at any time during the pandemic. Public Health continue to advise that all children are contacts and should test daily with Lateral Flow Tests. We ask you cooperate with this advice. Please also be aware we have a number of children contracting Covid for the second time due to the different variants.

Please also remember if your child has a cough, temperature, loss of taste or smell or any of the milder symptoms, they should isolate immediately and seek a PCR test, as these are more accurate with symptomatic cases.

We do have several staff absent as a result, but classes are continuing to run normally with very little disruption.

Should you need any help or advice our office staff are available to help where they can or alternatively contact 119.

Kind regards

*smartin*
